No, we have them all; just need to know if they were officially put on Commission agendas.

Hope that makes sense! They can keep track in whatever manner is easiest for them.

Thanks, Richard.

Julie,
Did you want copies of the reports?

Hi, Richard!

Per our conversation yesterday, here are the titles and dates of the reports, most of which I believe would have been approved by the Commission at some point preceding 2012.

Please keep me posted if you all can confirm that was indeed the case. (You all can keep track however you want… maybe easiest to highlight the ones you do NOT have any record of receiving.)

Thank you!
Julie

P.S. Apologies; I know there are many items to search.
